This matter was opened to the New Jersey State Board of Nursing (" Board") upon receipt of respondent's petition for reinstatement of his New Jersey nursing license, which had expired on May 31, 2007.

Respondent had been the subject of an Order of Summary Suspension filed on July 29, 2009, when respondent failed to reply to a request for information sent to his address of record

twice, on or about June 9, 2009 and June 23, 2009. The Order of Summary Suspension was not a disciplinary suspension, but required respondent to reply in full to the Board's inquiry in the event that he sought reinstatement.

Respondent has furnished a complete response to the Board's original inquiry, and has documented that he moved to another jurisdiction and had no knowledge of the Board's request for information after his license had expired. The Board finding no cause for disciplinary action exists with regard to respondent, and for other good cause shown;

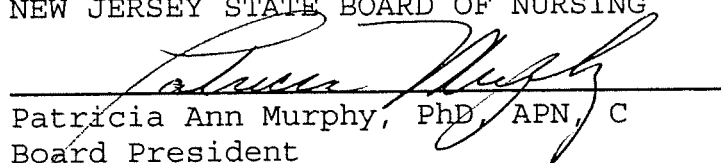

IT IS on this 24<sup>th</sup> day of July, 2012

HEREBY ORDERED that:

1. Respondent's petition for reinstatement of his license to practice nursing in New Jersey is granted upon review and approval of a completed application for reinstatement along with the requisite fees, information, including proof of completion of any required continuing education, and the required Criminal History Background Check.
